

Alteração da Tarifa de Água à partir da Leitura do Medidor de Junho de 2023

À partir da leitura do medidor de junho de 2023 ocorrerá a unificação da tarifa de água de 3 Municípios e 5 Cidades e com isto, a revisão tarifária média de 15%. Entretanto, a tarifa de uso do esgoto continuará sendo calculada por cada Município e Cidade.

Quando a nova tarifa de água ficar mais cara, o montante correspondente ao aumento será elevado em etapas de 1/4 ao ano até a leitura do medidor de maio de 2026.

Water Rates Will Be Changed. (Effective from the June 2023 Meter Readings)

Water rates for the three cities and five towns (below) will be standardized from the June 2023 meter readings, and rates will be revised by an average of 15%, however, sewerage fees will be calculated on a municipality-by-municipality basis as they have been.

If your municipal's new rate is higher than the current rate, the difference will be phased in by 1/4 of each year until the May 2026 meter readings.
